## A NOTE FROM THE FINANCE COUNCIL

At the start of our current fiscal year, the finance council established an overall operating budget of \$239,000.

This is inclusive of all income and expenditures required to operate the parish. Since we only publish the regular weekly offering, we are adjusting our Operational Budget Needs to \$214,000, which includes only the regular weekly offering.

This will help us more accurately track and publish how we are doing with our regular weekly offering versus parish needs.

The remaining balance is captured in special collections, fundraising, etc. throughout the year.

With questions, please reach out to Mike Lutz or Fr. Marlon.

## This Week's Special Collection —Priests' Retirement—

This weekend, there is a special collection for **Priests' Retirement**. Each year, every parish owes a certain amount to the Diocese for the care of retired priests. Our assigned amount for this fiscal year is \$10,954.00, and to date we have collected \$4,848.00 toward this amount. Please consider a donation toward this fund so that our priests have the care they need when they retire from their years of service.

*God*  
is our refuge and strength  
a very present help in trouble.
